PRO-BALANCE® 1 in. stainless steel manifold, component guide

1 Mini thermometer* Art. 250218: displays supply and return water temperature, to monitor and calculate heat input/output.

2 NPT isolation ball valve set* Art. 316250-002: color-coded and designed to accept mini thermometer (Art. 205218), includes gaskets.

3 Flow-stop circuit valve Art. 302047-001: allows for complete shut-off of an individual circuit on the supply header, to assist with purging operations or loop isolation.

4 Union set Art. 316258-002: connects two or more manifolds together in series, gaskets included.

5 Automatic air vent Art. 250212: replaces air vent/boiler drain combination (Art. 316257-002) to allow automatic elimination of entrained air in a hydronic system.

6 Visual flow gauge* Art. 316252-002: visual flow gauge/ isolation valve for supply header (0 to 2 GPM).

7 Air vent/boiler drain combination set* Art. 316257-002: fill and purge using male garden hose threaded connection, includes gaskets.

*included with each PRO-BALANCE 1 in. manifold

8 Circuit balancing/isolation valve* Art. 316254-002: circuit balancing/isolation valve for return header. Replacement part for white protective cap, Art. 321531-100.

9 Manifold end cap Art. 316248-002: caps off end of manifold while eliminating usual end pieces, includes gasket.

10 90 degree piece Art. 316249-002: allows installation of isolation valves at a right angle to the manifold, includes gaskets.

11 R-20 circuit outlet cap Art. 250209-C: seals unused outlets, includes gasket (Art. 250209-600).

12 Blind plug Art. 298186-001: caps outlets on supply header for installations not requiring flow gauges.

13 Manifold brackets* Art. 261386: galvanized steel manifold bracket.

14 4-wire manifold valve actuator Art. 260166: enables flow control of each circuit, with no additional piping.

Gasket replacement parts:

Fiber gaskets: Art. 250203-G for 1 in. connections;
Art. 281811-001 for 1 1/4 in. connections
Rubber gaskets: Art. 327714-001 for 1 in. connections;
Art. 327715-001 for 1 1/4 in. connections
